On-Line ET Caseload Report

</div>

Effective 4/16/03 the ET Caseload Report (CR001) is available on-line. Go to: http://dpasysops.hss.state.ak.us and click on ET Caseload Report under *Other Links*.

A User Guide has been created to help you navigate through the screens. The On-line ET Caseload Report User Guide is located in the Tips and Documentation folder on the Sys Ops web page. You can also access the User Guide through a link within the On-line ET Caseload Report.

The attached flyer has helpful hints when using the on-line version of the ET Caseload Report.

For system-related questions, please contact the DPA EIS Helpdesk at EISHELP@health.state.ak.us.
